

REMARKS

Claims 1-36 are pending in the captioned Application in which claims 1-36 are allowed.

Amendment to the Specification:

The specification was amended by the Response filed with Certificate of Mailing dated December 21, 2004, to conform the item numbers to the amended Figures, to add missing item numbers, and to correct typographical errors.

With regard to three of the paragraphs that were amended thereby, Applicant inadvertently omitted an amendment that had previously been made that had added a clause to each of those three paragraphs, specifically, by the Amendment Under 37 C.F.R. § 1.111 that was filed with Certificate of Mailing dated January 27, 2003 (see pages 17-18 thereof).

The amended three paragraphs hereinabove include the amendments made in both of the aforementioned papers, and are marked up to show the changes from the previous paper.

Conclusion:

Applicant respectfully requests that this Amendment be entered and that the Application including allowed claims 1-36 be passed to issuance.

The total number of claims and the number of independent claims are not changed in this paper and so no fee therefor is due. The Issue Fee is paid by a separate paper filed on even date herewith. Should the fee be insufficient or any other fee be due in consequence of this response, please charge such fee and deposit any refund to Deposit Account 04-1406.

The Examiner is requested to telephone the undersigned attorney if there is any question or if prosecution of this Application could be furthered by telephone.

Respectfully submitted,
